Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Subdivision Lot, and shall abate all dues and assessments that would otherwise be or become due in respect of any Subdivision Lot during the period such Subdivision Lot is owned by the Declarant.

6. Liens and Personal Obligations for Dues and Assessments.

The assessments and dues, together with interest thereon chargeable from date of delinquency through date of payment at the highest legally allowable rate, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Subdivision Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon chargeable from the date of delinquency through date of payment at the highest legally allowable rate, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Subdivision Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

11. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Subdivision Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall

be and become a lien against a lot as of the date such amounts first become due and payable.

12. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the highest legally allowable rate, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the sum, or foreclose the lien against the Owner personally obligated to pay the same, or foreclose the lien against the Subdivision Lot or Subdivision Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, cost and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of the Subdivision Lot. 13. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for an original home construction or purchase money loan. Sale or transfer of any Subdivision Lot shall not affect or terminate the dues and assessment lien.

At any time that the Board of Directors has the right to appoint one or more members of the DRB, the Board shall appoint at least one (1) architect or building contractor thereto. A meeting of not less than 80% of the members of the DRB shall constitute a quorum to transact business at any meeting of the DRB, and the action of the majority present at a meeting at which a quorum is present shall constitute the action of the DRB. Any vacancy occurring on the DRB because of death, resignation, or other termination of service of any member thereof, shall be filled by Declarant.

The determination of the DRB, shall in all events be dispositive. In the event the vote of the DRB on an Owner's original application is not unanimous, either the Declarant or the Owner may request reconsideration of the application. A request for reconsideration must be made, in writing, to the DRB, within five (5) days of receipt of Notice of approval or denial. Reconsideration by the DRB shall occur at the DRB's next regularly scheduled meeting. In the event of approval of plans, one complete set of plans shall be returned to the Owner with DRB's written notation or stamp specifying approval.

- c. Provided there are applications to be considered or applications requested to be reconsidered, the DRB shall meet at least once each calendar month. The DRB members may conduct their meetings and convey their proxy to another DRB member by conference telephone or similar communication equipment, and participation by such means shall constitute presence in person at such meeting, including presence for purposes of determining the existence of a quorum. In the event the DRB fails to act upon any application or application for reconsideration within thirty (30) days of the date of its monthly meeting, it shall be deemed that the DRB's decision was for denial.
- d. In making its decision, the DRB may consider any and all factors that the DRB determines to be appropriate. The DRB's determination shall be based upon criteria and factors expressed within and throughout this Declaration of Covenants, as well as any supplemental, written documentation of standards and Design Criteria. All such factors and criteria shall nonetheless provide a standard for construction and appearance that is in conformity to the harmony of external design and location in relation to surrounding structures, the topography of each lot and Spring Ridge in general. The establishment, the exercise and the enforcement of these standards are to assist the establishment and maintenance of the intended and expressed quality, character and aesthetics of Spring Ridge as residential community. These standards for review, as applied by the DRB, may include, without limitation, the plans, specifications, exterior colors, materials, size, location, elevation, landscaping and use

of the proposed exterior structure.

In furtherance of providing a specific expression of the standards to be utilized, in consultation with the Declarant, the DRB shall establish in advance certain standards and guidelines that it intends to follow in making its decision for approval or denial. Such standards and guidelines shall generally, and from time to time, be referred to as Design Criteria. The Design Criteria may be amended from time to time by the DRB.

Any written Design Criteria that may be issued by the DRB as a result hereof shall not limit nor otherwise impair the application of any and all additional standards or guidelines expressed within and throughout this Declaration of Covenants. Such Design Criteria shall be considered as supplemental to this Declaration of Covenants.

- e. Neither the Declarant, the Association, the Board of Directors, the DRB, any member of the DRB, nor any member of the Association shall be personally liable to any person for any action or inaction taken with respect to any matter submitted for approval, for reconsideration, for the adoption of any rules, regulations or guidelines, or for the enforcement of or failure to enforce any restrictions or covenants contained in this Declaration.
