No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Except as provided for in Article III, Section 7 and Article IV, Section 2, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or other periodic basis, as may be established by the Board.

The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment of title or transfer of such Owner's Lot.

Section 11. Subordination of Assessments. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, and the holder of any first mortgage, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have sole responsibility to collect all assessments due.

Section 2. The cost of reasonable repairs and maintenance of any party wall shall be shared by the owners who make use of such party wall in proportion to the length of each Lot and party wall.

Section 3. If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owner or owners shall thereafter make use of such party wall, such other owners or owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such owner or owners to call for a larger contribution from other owners under any rule of law regarding liability for negligent or willful acts or omissions.
