The foregoing easements in favor of the Declarant shall continue until such time as the Declarant no longer holds legal title to, or the beneficial interest in any trust holding legal title to, any portion of the Property, or the Additional Property, at which time such easements shall cease and be of no further force and effect without the necessity of any further action.

2.7 General Provisions. All easements and rights described in this Declaration shall be perpetual non-exclusive easements appurtenant to and running with the land. They shall at all times inure to the benefit of and be binding on Declarant, the Owners and their mortgagees from time to time of any Townhome and their respective heirs, administrators, executors, personal representatives, successors and assigns, subject to the rules and regulations which may be adopted by the Board from time to time.

2.8 Reserved Declarant Rights. Notwithstanding any provision herein to the contrary, the easements created under this Article shall be subject to: (i) the right of the Declarant to improve the Property in accordance with such plans and specifications as Declarant deems appropriate; and (ii) the right of Declarant to execute all documents and do all other acts and things affecting the Property which, in the Declarant's opinion, are desirable in connection with the Declarant's rights hereunder, provided any such document or act or thing is not inconsistent with the property rights of any Owner in and to such Owner's Townhome.

All such repair or rebuilding shall be performed in accordance with the provisions of Section 3.8. Whenever any such wall or any portion thereof shall be rebuilt, it shall be erected in the same location and on the same line and be of the same size as the original wall. Notwithstanding the foregoing to the contrary, the Owner of any Townhome, or any other interested party, shall retain the right to receive a larger contribution from another or others under any rule or law regarding liability for negligent or willful acts or omissions. The right of any Owner of a Townhome, or any other interested party, to contribution from any other person, shall be appurtenant to the land and shall pass to such Owner's or other applicable person's successors in title. The title of each Owner to the portion of each party wall within such Townhome is subject to a cross-easement in favor of the adjoining Owner of a Townhome for joint use of said wall. Notwithstanding any other provision of this paragraph, an Owner who by his negligent or willful act causes a party wall to be exposed to the elements shall bear the entire cost of furnishing the necessary protection against damage by such elements.

3.7 Damage or Destruction. In the event of any damage to a Townhome by fire or other casualty, the Owner thereof shall repair, restore and rebuild the portion of such Townhome so damaged or destroyed to its condition, as near as possible, immediately preceding such fire or other casualty and as promptly as possible, but in all events within one hundred twenty (120) days after the occurrence of such casualty, unless prevented from doing so by inclement weather or other causes beyond such Owner's control, in which event reconstruction shall be completed within one hundred eighty (180) days after the occurrence of such casualty. All such repairs, restoration or rebuilding shall be done in a good and workmanlike manner with materials comparable to those used in the original Townhome and shall conform in all respects to the laws and ordinances in force at the time of such repair, restoration or rebuilding as well as all covenants, conditions and restrictions of record governing all or a portion of the real property underlying such Townhome. In order to assure the proper completion of the work concerned, the Homeowners' Association shall have the right, but not the obligation to exercise such supervision and direction over any and all repair, restoration and reconstruction carried out pursuant to the provisions of this Section 3.8, and the Owner of each Townhome which shall have been damaged or destroyed shall fully cooperate with and abide by any and all instructions and directions of the Homeowners' Association in connection therewith. Should such Owner fail to reconstruct such Townhome as aforesaid, the Homeowners' Association may undertake to do such construction as it deems necessary and to charge such Owner the costs thereof. All such construction costs shall be promptly paid by Owner upon the Homeowners' Association providing such Owner with copies of the bills evidencing such construction costs. Any amounts so charged to an Owner shall bear interest at the rate of sixteen percent (16%) per annum (or the maximum rated permitted by law) and constitute a lien in the same manner, and shall be enforceable, as provided in Article VI hereof.

3.8 TIF Restrictions & Non-Protestation. In connection with the development of the SOUTH HILL ROWHOUSES, Declarant has obtained tax increment financing with the City of Omaha and in conjunction with such financing a Redevelopment Note has been issued. For so long as such

Redevelopment Note is outstanding, each Owner covenants and agrees that it will not protest or allow a protestation to be sought on Owner's behalf on an assessed value of its Townhome at or below the original purchase price paid to Declarant for such Townhome's purchase. Each Owner further agrees to indemnify and hold Declarant and any lending institution to which Declarant may have assigned the Redevelopment Note harmless for any breach of the foregoing covenant and agreement.

Article IV.
Administration

4.1 Homeowners' Association. The Homeowners' Association has been or will be formed by Declarant as a nonprofit corporation under the Nebraska Nonprofit Corporation Act. At such time as Declarant, in its discretion, shall deem it appropriate (but in no event later than the Transfer Date), Declarant shall cause to be conveyed to the Homeowners' Association by quitclaim deed fee simple ownership to the Common Area and Common Improvements vesting in the Homeowners' Association, and the Homeowners' Association shall, to the extent hereafter provided and subject to the limitations hereafter contained, be the governing body relating to the use, maintenance and repair of, the Common Area and Common Improvements.

4.2 Membership. Every Owner shall be a Member of the Homeowners' Association and such membership shall automatically terminate when such person ceases to be an Owner. Membership is appurtenant to and shall not be separated from ownership of a Townhome. Each Owner, by acceptance of a deed of other conveyance of a Townhome, thereby becomes a Member, whether or not this Declaration or such membership interest is made a part of, incorporated by reference, or expressed in said deed or conveyance. Termination of membership shall not relieve or release any such former Owner from any liability or obligation incurred under or in any way connected with the Townhome or the Homeowners' Association during the period of such ownership and membership in the Homeowners' Association. Furthermore, termination of membership shall not impair any rights or remedies which the Board or others may have against such former Owner arising from, or in any way connected with, such ownership and membership and the covenants and obligations incident thereto.

4.3 Board of Directors. The affairs of the Homeowners' Association shall be managed by the Board

- (a) Election. Until the Transfer Meeting, no Member shall have the right to elect any director of the Board. The initial Board shall be designated by the Declarant, and shall consist of three (3) directors who shall serve without compensation. The initial Board (and successors designated by Declarant) shall serve for a period commencing on the date the Homeowners' Association is formed by the filing of the Articles of Incorporation with the office of the Secretary of State of Nebraska, and ending upon the qualification of the directors elected at the first meeting of the Members following the Transfer Date (the "Transfer Meeting"). The Transfer Meeting shall be held within ten (10) days after the Transfer Date. At the Transfer Meeting, the Owners shall elect not less than three (3) and not more than seven (7) directors to serve on the Board, with each Owner entitled to one (1) vote, and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected. At all times from and after the Transfer Meeting, the Board shall consist of not less than three (3) and not more than seven (7) directors.
- (b) Term. A majority of the directors of the Board elected at the Transfer Meeting and receiving the highest number of votes shall serve for a term of two (2) years. The

remaining directors of the Board elected at the Transfer Meeting and receiving the fewest number of votes shall serve for an initial term of one (1) year. Thereafter, all directors of the Board shall serve two (2) year terms subsequent to election, unless the Owners elect to remove or replace such Board directors in accordance with Section 4.3(k) prior to the expiration of such term or such Board directors shall cease to be Owners prior to the expiration of such term.

- (c) Annual Meeting. At each annual meeting of the Members commencing with the Transfer Meeting, the Owners shall be entitled to vote for candidates for election of directors to the Board to fill any vacancies or expired terms, with each Owner entitled to one (1) vote and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected. A candidate for election to the Board or such candidate's representative shall have the right to be present at the counting of the ballots at such election. The Board may disseminate to Owners biographical and background information about candidates for election to the Board if (i) no preference is expressed in favor of any candidate, and (ii) reasonable efforts to identify all candidates are made and all candidates are given an opportunity to include biographical and background information in the information to be disseminated.
- (d) Regular Meetings. A regular meeting of the Board shall be held immediately after, and at the same place as, the annual meeting of Members. The Board shall, by regulations which the Board may, from time to time adopt, provide the time and place for the holding of additional regular meetings of the Board, provided that the Board shall meet at least four times per year.
- (e) Special Meetings. Special meetings of the Board may be called by or at the request of the President or fifty percent (50%) or more of the directors of the Board. The person or persons permitted to call special meetings of the Board may fix the time and place for holding any special meeting of the Board called by them.
- (f) Notice. Written notice of any special meeting of the Board shall be delivered to all Members and all directors of the Board at least forty-eight (48) hours prior to the date of such special meeting. Written notice of regular meetings of the Board shall be delivered to all Members at least forty-eight (48) hours prior to the date of such meeting.
- (g) Vacancies. Vacancies in the Board shall be filled by a majority vote of the remaining directors. A director elected to fill a vacancy shall be elected for the remaining term of the office to be filled.
- (h) Election of Officers. The Board shall elect from among its directors a President who shall preside over both its meetings and those of the Members and who shall be the chief executive officer of the Board and the Homeowners' Association; a Vice President, who, in the absence of the President, shall perform the duties of the President; a Secretary, who shall keep the minutes of all meetings; a Treasurer, who shall have charge and custody and be responsible for all funds of the Homeowners' Association; and such other officers as the Board shall see fit. The officers shall be elected annually by the Board at a regular meeting of the Board. Vacancies may be

filled or new offices created and filled at any meeting of the Board. Any officer elected by the Board may be removed by a majority vote of the directors of the Board.

- (i) Qualifications of Board. With the exception of the Declarant who shall have the rights, as set forth above, to designate and select the persons who shall serve as directors until the Transfer Meeting, each member of the Board shall be an Owner.
- (j) Quorum. A majority of the Board shall constitute a quorum for the transaction of business at any meeting of the Board, provided that, if less than a majority of the directors are present at the meeting, a majority of the directors present may adjourn the meeting from time to time without further notice.
- (k) Removal. From and after the Transfer Meeting, any director may be removed from office by the affirmative vote of sixty-seven percent (67%) of all the Members at a special meeting called for such purpose.
- (l) Open Meetings. All meetings of the Board, whether regular or special, shall be open to the Members, except for meetings: (i) to discuss litigation when an action against or on behalf of the Homeowners' Association has been filed and is pending in a court or administrative tribunal, or when the Board finds that such an action is probable or imminent; (ii) to consider information regarding appointment, employment or dismissal of an employee; or (iii) to discuss violations of rules and regulations of the Homeowners' Association or unpaid shares of Common Expenses and Townhome Expenses.
- (m) General Provisions. The Board shall act by majority vote of those present at its meeting when a quorum exists. Meetings of the Board may be called, held and conducted in accordance with such regulations as the Board may adopt.

4.4 Meetings of Members. Meetings of Members shall be held annually and other times at the discretion of the Board and at such place and time as shall be designated in any notice of a meeting by the Board. Any notice of an annual meeting of Members shall include a meeting agenda. Special meetings of the Members may be called at any time for any reasonable purpose on not less than ten (10) days notice from a majority of the Board or the Members holding five percent (5%) of the total votes.

- (a) Notices. Written notices of annual or special meetings shall be delivered personally or by mail to the Members, addressed to each such Member at the address given by such Member to the Board, or if no address shall be given, addressed to such Member to the address of such Member's Townhome. Notices shall state the purpose, place, day and time of the meeting and shall be mailed or delivered to each Member not less than ten (10) days before the date of such meeting and no more than thirty (30) days before the date of the meeting.
- (b) Quorum. Members holding twenty-five percent (25%) of the votes that may be cast at any meeting shall constitute a quorum at such meeting. If a quorum is not present at any meeting of the Members, a majority of the Members present may adjourn the meeting from time to time and without further notice.
- (c) Voting. Commencing with the Transfer Meeting, there shall be one (1) vote for each Owner. If a Townhome is owned by more than one person, the voting rights with respect to such Townhome shall not be divided. If only one of the multiple Owners of

a Townhome is present at a meeting, he or she shall be entitled to cast the vote allocated to that Townhome. If more than one of the multiple Owners are present, and if any one of the multiple Owners casts the vote allocated to that Townhome without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Townhome, there is deemed to be majority agreement. If such multiple Owners cannot agree upon the casting of the vote allocated to such Townhome, then such vote shall not be counted with respect to any such matter.

- (d) Special Meetings. Special meetings of the Members may be called by a majority of the Board or not less than twenty-five percent (25%) of the Members. All matters to be considered at special meetings of the Members called by not less than twenty-five percent (25%) of the Members shall first be submitted in writing to the Board not less than fifteen (15) days prior to the date of the special meeting of the Members called to consider such matters.
- (e) Proxies. At any meeting of the Members, a Member entitled to vote may vote either in person or by proxy executed in writing by the Member or by his or her duly authorized attorney-in-fact. No proxy shall be valid after eleven (11) months from the date of its execution. Any proxy distributed for election of directors of the Board shall give Owners the opportunity to designate any person as the proxy holder and shall give the Owner the opportunity to express a preference for any of the known candidates for the Board or to write in a name. Any proxy must be executed in writing by the Owner (if more than one Owner of a Townhome, then only one such Owner need execute the proxy) or his or her duly authorized attorney-in-fact and must bear the date of execution.
- (f) Land Contracts. In the event of a sale of a Townhome pursuant to a land contract, the buyer of such Townhome shall have all rights of a Member hereunder, including the right to vote for the election of directors of the Board, until the forfeiture or foreclosure of such land contract.
- (g) Manner of Acting. Except as set forth below, any action to be taken at any meeting of the Members at which a quorum is present shall be upon the vote of more than fifty percent (50%) of the Members represented at such meeting. The following matters shall require the affirmative vote of not less than sixty-seven percent (67%) of all the Members represented at a meeting duly called for that purpose: (i) merger or consolidation of the Homeowners' Association, (ii) sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, of the property and assets of the Homeowners' Association, or (iii) the purchase and sale of land on behalf of the Owners.

4.5 General Powers of the Board. The Board shall have the following general powers:

- (a) To adopt reasonable rules and regulations governing the use, operation, maintenance and administration of the Common Area, Common Improvements and Townhome Parcels, and to amend them from time to time. The Board shall have all the powers necessary and incidental to the operation and management of the Homeowners' Association and to take such action as may be required to enforce the provisions of this Declaration and any rules and regulations adopted by the Board.

- (b) To prepare, adopt and distribute the annual budget of the Homeowners' Association.
- (c) To levy and collect assessments from the Owners and to impose charges for late payments of an Owner's assessments, or any other expenses lawfully agreed upon, and after notice and an opportunity to be heard, to levy reasonable fines for violations of this Declaration and the rules and regulations of the Homeowners' Association.
- (d) To engage the services of a manager or managing agent, who may be any person, firm or corporation, on such terms and compensation as the Board deems fit, provided that the Board shall reserve the right to discharge such manager or managing agent for cause on not more than ninety (90) days written notice and the term of any such engagement shall not exceed two (2) years.
- (e) To engage the services of any persons (including but not limited to accountants and attorneys) deemed necessary by the Board at such compensation deemed reasonable by the Board and to remove, at any time, such personnel.
- (f) To enter into contracts on behalf of, and to purchase or secure in the name of, the Homeowners' Association any materials, supplies, insurance (including, without limitation, directors and officers liability insurance), equipment, fixtures and labor required by the terms of this Declaration, or which, in the reasonable opinion of the Board, shall be necessary or proper for the operation or protection of the Homeowners' Association and its Members and for the enforcement of the provisions of this Declaration.
- (g) To establish and maintain one (1) or more bank accounts (granting authority as the Board shall desire to one or more persons to draw upon such accounts) for the deposit of any funds paid to or received by the Homeowners' Association and to invest any fund of the Homeowners' Association in certificates of deposit, money market funds or comparable investments.
- (h) To pay real estate taxes, special assessments and any other special taxes or charges of any lawful taxing body, which are authorized by law to be assessed and levied upon the Common Area and Common Improvements, and to seek relief from or in connection with the assessment or levy of any real estate taxes, special assessments or charges.
- (i) To borrow money in the name of the Homeowners' Association to provide for the maintenance, repair or replacement of the Common Area and/or any Common Improvements and to secure such loan by pledging and granting a security interest in the assessments due the Homeowners' Association.
- (j) To adjust the amount, collect and use any insurance proceeds to repair damage or replace lost property, and if proceeds are insufficient to repair damage or replace lost property, to assess the appropriate Members in proportionate amounts to cover the deficiency.

- (k) To enter upon, and to have its contractors, subcontractors and agents enter upon, the Common Area and Townhome Parcels as may be required to exercise all of the rights and obligations granted to or imposed upon it pursuant to this Declaration or to correct any condition that in the Board's reasonable judgment is a nuisance or is damaging to the use, enjoyment, operation or maintenance of the Common Area.
- (l) To record the dedication of a portion of the Common Area to a public body for the use as, or in connection with, a street or utility.
- (m) To have standing and capacity to act in a representative capacity in relation to matters involving the Common Area and Common Improvements on behalf of the Members.
- (n) To exercise any and all powers, rights and authorities provided in the Nebraska Nonprofit Corporation Act, as amended from time to time.

Nothing herein shall be construed to give the Homeowners' Association, or the Board, the authority to conduct an active business for profit on behalf of the Owners. There shall be no structural alterations, capital additions to, or capital improvements on the Common Area or to the Common Improvements (other than for purposes of repairing, replacing and restoring portions of the Common Area or the Common Improvements) requiring an expenditure in excess of \$100,000.00 which will not otherwise be reimbursed by any Owner or through any insurance proceeds without the prior approval of (i) at least sixty-seven percent (67%) of all Owners, if such expenditure relates to the Common Area or Common Improvements, and (ii) at least sixty-seven percent (67%) of all Townhome Owners, if such expenditure relates exclusively to the Townhomes.

4.6 Liability of the Board of Directors. Neither the directors of the Board nor the officers of the Homeowners' Association shall be liable to any Owner for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Board directors and officers except for any acts or omissions found by a court to constitute gross negligence or fraud. The Owners shall indemnify and hold harmless each of the directors of the Board and each of the officers of the Homeowners' Association against all contractual and other liabilities to others arising out of contracts made by or other acts of the Board and officers of the Homeowners' Association on behalf of the Owners or arising out of their status as Board directors or officers unless any such contract or act shall have been made fraudulently or with gross negligence or contrary to the provisions of this Declaration. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, without limitation, attorney fees, amounts of judgments paid and amounts paid in settlement) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative or other, in which any director of the Board or officers of the Homeowners' Association may be involved by virtue of having been such director or officer.

4.7 Books and Records. The books and records of the Homeowners' Association may be examined by any Owner or such Owner's mortgagee at the office where such books and records are maintained, during normal business hours for any proper purpose upon prior written notice to the Board.

Article V. Insurance

5.1 Insurance Coverage. The Board, on behalf of the Homeowners' Association, shall have

the authority and duty to acquire and maintain insurance for the Common Area and Common Improvements located thereon as follows:

- (a) Commercial General Liability Insurance. Commercial general liability insurance shall cover personal and bodily injury and property damage. Such insurance shall provide limits of liability as deemed desirable by the Board, but in no event for less than \$1,000,000.00 combined single limit per occurrence with a general policy aggregate of \$1,000,000.00 for personal and bodily injury or property damage. Such policy shall be endorsed to cover cross liability claims of one insured against the other.
- (b) Umbrella Liability Insurance. If needed, umbrella liability insurance shall be in excess of the required comprehensive commercial liability and employer liability policies in an amount deemed desirable by the Board.
- (c) Fidelity Insurance. Fidelity insurance in the form of a fidelity bond indemnifying the Homeowners' Association, the Board and the Owners for loss of funds resulting from fraudulent or dishonest acts of any employee of the Homeowners' Association or its managing agent, or of any other person handling funds of the Homeowners' Association, the Board or the Owners in such amounts as shall be determined by the Board. Such bond shall delete any exclusion pertaining to persons who serve without compensation from any definition of "employee" or similar expression, and shall contain a managing agent endorsement if available. The Board may also obtain blanket crime insurance covering money and securities on and off the premises and depositors' forgery coverage in amounts as the Board shall deem desirable.
- (d) Other. The Board shall obtain such other insurance as the Board shall deem desirable, which may include, without limitation, director and officer liability insurance and worker's compensation insurance as may be necessary to comply with applicable laws.
- (e) Premium. The premiums for the above described insurance and bond shall be Common Expenses paid by the board on behalf of the Homeowners' Association.

5.2 Insurance Carriers. All insurance provided for herein shall be effected under valid and enforceable policies issued by insurance companies authorized and licensed to transact business in the State of Nebraska.

5.3 Insureds. All policies of insurance of the character described above shall name as insureds the Homeowners' Association, the Board, the managing agent, if any, and the other agents and employees of the Homeowners' Association and the Declarant in the Declarant's capacity as an Owner, and shall also provide coverage for each Owner.

5.4 Insurance for Townhomes. Each Owner shall maintain in full force and effect, with an insurance company licensed to conduct business in the State of Nebraska, a policy of insurance covering such Owner's Townhome against loss or damage by fire and against loss or damage by occurrences now or hereafter embraced by standard extended coverage and vandalism and malicious mischief in an amount equal to one hundred percent (100%) of the full insurable replacement cost of

such Townhome. Each Owner shall file a certificate of insurance confirming such coverage with the Homeowners' Association. In the event that any Owner shall fail to maintain the insurance required herein, the Homeowners' Association shall have the right, but not the obligation, to obtain such insurance in the name of such Owner and to add the cost thereof to the next monthly assessment due from such Owner.

Article VI. Assessments

6.1 Personal Obligation. The Owners, by virtue of the recording of this Declaration, whether or not it shall be so expressed in any Owner's deed, are deemed to covenant and hereby agree to pay to the Homeowners' Association such assessments as are levied pursuant to an annual budget adopted by the Homeowners' Association or otherwise pursuant to the provisions of this Declaration. Such assessments, together with interest thereon and costs of collection, if any, as herein provided, shall be a charge on each Townhome Parcel and shall be a continuing lien on the Townhome Parcel against which each such assessment is made. The Board may record with the Recorder a notice of lien against the Townhome Parcel of any Owner who is delinquent in the payment of any assessment. Each Owner, other than the Declarant, shall be personally liable for such Owner's share of such assessments, together with the applicable interest, costs and late fees. Personal liability for such past due assessments shall not pass to an Owner's successor in title unless expressly assumed. Each Owner shall be allocated a Share. Each Townhome Owner shall pay assessments on a monthly basis (or such other interval as the Board shall determine). Each Owner of a Townhome, by acceptance of a deed for a Townhome located within the Property, whether it shall be so expressed in any such other conveyance, is deemed to covenant and hereby agrees to pay to the Homeowners' Association such assessments as are levied by the Homeowners' Association. Assessments may vary based upon the actual budget adopted by the Board from time to time.

6.2 Purpose of Assessments. The assessments levied by the Homeowners' Association shall be used for the purpose of promoting the recreation, health, safety, needed services and welfare of residents of the SOUTH HILL ROWHOUSES and in particular for the improvement, maintenance, conservation, beautification and administration of the Common Area and Common Improvements and the establishment of such reasonable reserves, if any, as the Board deems appropriate, including but not limited to, the payment of all costs and expenses, and the provision of all services, materials and property, that the Board has the obligation or power to pay or provide.

6.3 Categories of Assessments. There shall be three (3) categories of assessments as follows: (i) the general assessment, which shall be levied monthly or at such other interval as the Board deems appropriate, to include all costs and expenses other than special assessments, (ii) special assessments, which shall be levied for the purpose of defraying, in whole or in part, the costs of any reconstruction, unexpected repair or replacement of the Common Area or Common Improvements, including the necessary fixtures, and personal property related thereto, for structural components of Townhomes as described in Section 3.4 or for any other reason, and (iii) the Townhome Assessment, which shall be levied monthly or at such other interval as the Board deems appropriate, to include all Townhome Expenses other than special assessments.

6.4 Annual General Assessments/Budget. Each year, on or before November 1, the Board shall estimate an annual budget of Common Expenses and Townhome Expenses, including the total amount required for the cost of wages, materials, insurance, services and supplies that will be required during the next calendar year for the rendering of all services by the Homeowners' Association as provided herein, together with a reasonable amount considered by the Board to be necessary for a

reserve for contingencies and replacements, if any, and it shall also notify each Owner on or before November 5, in writing, as to the amount of such estimate with a reasonable itemization thereof. Such Common Expenses and Townhome Expenses shall be assessed to each Townhome Owner in accordance with their respective Shares. On or before January 1 of the next year, and on the first day of each month thereafter of said year, each Townhome Owner shall be obligated to pay one-twelfth (1/12th) of the estimated portion of the Common Expenses and Townhome Expenses allocated to each for payment under the Budget. Each year the Board shall prepare an itemized accounting of the expenses for the preceding calendar year and the amounts collected. The Board may establish and maintain reasonable reserves for contingencies and replacements of the Common Area, Common Improvements and structural components of Townhomes as described in Section 3.4. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against such reserve. If said regular assessment proves inadequate for any reason, including nonpayment of any assessments, the Board may at any time levy a further assessment. The failure or delay of the Board in preparing or delivering the annual budget to each Owner shall not constitute a waiver or release in any manner of each Owner's obligation to pay assessments, as herein provided, whenever the same shall be determined, and in the absence of the preparation and delivery of any annual or adjusted budget, each Owner shall continue to pay the annual assessment charge at the then existing monthly rate established for the previous calendar year until such new or annual or adjusted budget shall have been mailed or delivered.

6.5 Special Assessments. No special assessment may be levied by the Board for an expenditure in excess of \$100,000.00 which will not otherwise be reimbursed by any Owner or through any insurance proceeds unless such expenditure is approved by sixty-seven percent (67%) of all Members. The due date or dates, if it is to be paid in installments, of any special assessment shall be fixed in the resolution authorizing such assessment. Written notice of any special assessment shall be delivered or mailed to every Member subject thereto not less than thirty (30) days before the effective due date thereof. Special assessments shall be allocated to each Owner in accordance with their respective Shares, unless the Board shall determine that the expenditures which necessitate any such special assessment accrue to the benefit of less than all Owners, or to certain Owners to a greater degree than to other Owners, in which case the Board shall serve notice to the appropriate Owners of any such special assessment, which notice shall consist of a written statement setting forth the amount of such special assessment.

6.6 Nonpayment of Assessments. Any assessment which is not paid when due shall be deemed delinquent. If an assessment is not paid within ten (10) days after the due date, such assessments shall bear interest at the rate of sixteen percent (16%) per annum (or the highest rate permitted by law, whichever is lower) from the delinquency date, and the Board may impose a flat fee of \$25.00 per month (or such other amount as the Board may determine from time to time) to reimburse itself for the administrative costs and inconvenience of collection of such delinquent assessment. Such fees and costs, including attorney fees incurred in connection thereto, shall constitute a lien and personal obligation described in Section 6.1 above. The Board shall, in the name of and on behalf of the Homeowners' Association, have all rights and remedies with respect to the collection of the same as shall from time to time be permitted by law, including bringing an action at law or in equity against each such Owner for their Share of the delinquent assessment and foreclosing the aforesaid liens. All expenses of the Homeowners' Association in connection with such action or proceedings, whether or not suit shall be instituted, including attorney fees and court costs and other fees and expenses, shall be charged to and assessed against such defaulting Owner and shall be added to and deemed part of the assessments due therefrom and the Homeowners' Association shall have a lien for all of the same upon the respective Townhome Parcel of such Owner.

6.7 Proof of Payment. Upon written demand of an Owner or mortgagee at any time, the

Homeowners' Association shall furnish such Owner or mortgagee with a written certificate signed by an officer of the Homeowners' Association setting forth whether there are any unpaid annual or special assessments levied against such Owner's Townhome. Such certificate shall be conclusive evidence of payment of any annual or special assessments not stated therein as unpaid.

6.8 Subordination of Lien to Mortgage. Any mortgage or trust deed made, owned or held by a bank, savings and loan association, or other institutional lender, and recorded against a Townhome Parcel before the recording of a notice of lien by the Board against such Townhome Parcel of an Owner who is delinquent in the payment of assessments shall be superior to the lien of such unpaid assessment set forth in said notice and to all assessments that become due and are unpaid subsequent to the date of recording of such first mortgage or trust deed; provided, however, such mortgage or trust deed shall be subject to the lien of unpaid assessments that are due and payable after the date when such holder takes possession of a Townhome Parcel, or accepts a conveyance of such Townhome Parcel, or has a receiver appointed in a suit to foreclose the lien of such mortgage or trust deed.

6.9 Exemption from Assessment on Townhomes Owned by Declarant. It is expressly provided that no Townhome owned by the Declarant shall be subject to the assessments, charges and liens provided for herein until the date upon which such Townhome shall be conveyed to a bona fide purchaser or leased to any person who shall have commenced to pay rental therefore or sold pursuant to an installment contract. However, the Declarant shall remain responsible for any necessary maintenance, repair and utility costs directly resulting from Declarant's construction work being performed on the Property. Upon the conveyance or leasing by Declarant of any Townhome which was theretofore entitled to the foregoing exemption from assessments, such Townhome, and the Owner thereof, shall immediately become subject to the payment of all assessments and other charges provided herein which shall accrue on the first day of the first month after the date of closing.

6.10 General Provisions. The Board shall keep full and correct books of account on such basis as the Board shall determine. Upon request of any Owner or such Owner's mortgagee, such books of account may be inspected by such requesting person or its representative, duly authorized in writing, at such office and at such reasonable time or times during normal business hours, as the Board shall designate in writing. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, Common Improvement or abandonment of the Owner's Townhome. Declarant may collect a fee from each purchaser of a Townhome at the closing of such transaction equal to two (2) times the monthly general assessment and Townhome Assessment to create an initial reserve fund for the Homeowners' Association, which fee shall be collected from each and every purchaser of a Townhome at the closing of such transaction, and which sum shall be deposited into an account for the benefit of the Homeowners' Association and which account shall be turned over to the Board at the Transfer Meeting.

Article VII.

Rights Reserved to Declarant

7.1 Declarant's Promotional Rights. The right is reserved to the Declarant to place and maintain on any portion of the Common Area, construction trailers, sales offices, fencing, flag poles, advertising signs, banners and lighting in connection therewith, and other promotional facilities at such locations and in such forms as shall be determined by the Declarant for construction, sales and leasing purposes. There is also reserved to the Declarant, its agents, employees and prospective purchasers and tenants, the right of ingress, egress and transient parking in and throughout the Property for such sales and leasing purposes. The Declarant also reserves the right to maintain on the Property without charge (a) a general office for the purpose of exercising the rights reserved herein, (b) a general construction office for Declarant's contractors and subcontractors, and (c) appropriate parking facilities for the

employees of Declarant's agents and contractors. Declarant's aforesaid reserved rights shall continue for so long as Declarant or any successor owner of the Property or any Parcel therein is engaged in the construction, sale or leasing of Townhomes on any portion of the Property.

7.2 Contracts. The Declarant shall have the right to enter into contracts on behalf of the Homeowners' Association prior to the Transfer Meeting. Declarant reserves the right to engage an initial manager for the Homeowners' Association, and in furtherance of such right, to enter into a contract with any such management company for such purposes, provided that the contract expires no later than two (2) years from the Transfer Date. Such management contract, if any, shall be paid for as a Common Expense.

7.3 Right to Grant and Allow Dedications and Grant Utility Easements. Until the Transfer Date, Declarant hereby reserves, for itself and its successors and assigns, the following: (a) the right to grant and allow the dedication of space in the Common Area to any public or quasi-public utility or to any governmental authority for the location of utilities serving any portion of the Property, and (b) the right to grant and allow easements in, over, under and across the Common Area for ingress and egress to, and for installation, construction and maintenance of, any or all such utilities; provided, however, that Declarant shall not exercise any of such rights in a manner so as to prevent the exercise of the rights of use and enjoyment of the Common Area as granted in this Declaration.

7.4 Right to Dedicate or Convey Open Space. Declarant reserves the right to dedicate or convey portions of the Open Space constituting Common Area to the City.

Article VIII. Architectural Controls

8.1 Architectural Standards. All Townhomes, landscaping and any other exterior aspect of a Townhome Parcel, whether original or replacement, temporary or permanent, shall be constructed, altered, restored, maintained, placed or installed (a) in compliance with all requirements of this Article VIII and any other applicable provisions of this Declaration, as well as all applicable governmental ordinances and codes, and any covenants, conditions and restrictions of record governing all or a portion of the Property, and (b) in such manner so as to preserve the architectural and aesthetic appearance of the Property and so as to not impair the value of the property of all Owners, and shall be undertaken in a manner that is consistent with the use of the Property as a quality residential development.

8.2 Membership. The Architectural Control Committee shall consist of three (3) persons who shall be appointed by the Board. Until the Transfer Meeting, the Declarant shall designate the members of the Architectural Control Committee. After the Transfer Meeting, all three (3) members shall be appointed by the Board. Except for members designated by the Declarant, each member of the Architectural Control Committee shall be an Owner and shall reside in a Townhome. Any member of the Architectural Control Committee may also serve as a director on the Board.

8.3 Powers and Duties. The Architectural Control Committee shall have the following powers and duties:

- (a) to review requests by the Owners for approval of any exterior addition to or modification or alteration to a Townhome or other matter described in this Declaration as requiring approval of the Architectural Control Committee and, subject to final approval thereof by the Board, to render decisions thereon;

- (b) to propose to the Board rules, regulations and procedures concerning exterior maintenance, repair, landscaping, fences, trash removal and the enforcement of the provisions of this Declaration in relation thereto; and
- (c) such other powers and duties as the Board shall from time to time delegate.

8.4 Procedures. Any matter requiring the approval of the Architectural Control Committee shall be submitted to the Architectural Control Committee in writing and, if approval of any alteration or addition to a Townhome shall be requested, shall include preliminary design drawings, plans and specifications, elevations, landscaping schemes and descriptive materials showing the size, color, design, configuration, height, shape and materials of such alteration or addition. Within a reasonable time not to exceed thirty (30) days after receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing:

- (a) whether the request of such Owner has been approved or denied, and if denied, the specific reason therefore; or
- (b) whether the Architectural Control Committee requires additional information, plans or other materials to render a decision, in which case such additional items shall be furnished as expeditiously as possible.

If additional items shall be required pursuant to subsection (b) above, within a reasonable period of time not to exceed ten (10) days from the date of receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing whether such request has been approved or denied, and if denied, the specific reason therefore. If such request for approval shall have been denied, such Owner shall have the right to appeal the decision of the Architectural Control Committee to the Board pursuant to Section 8.5 hereof.

8.5 Right of Appeal. Any adverse decision of the Architectural Control Committee may be appealed to the Board, which shall render a final decision as to the matter in question. An Owner desiring to appeal shall so advise the Board in writing within ten (10) days of the final decision of the Architectural Control Committee. The Board shall consult with the Architectural Control Committee and such Owner, shall review the plans and other materials submitted by such Owner, and shall render a written decision as to the matter under consideration as expeditiously as practical. In rendering its decision, the Board shall taken into consideration the criteria set forth in Sections 3.5(m), 8.1 and 8.6, the manner in which the Architectural Control Committee has applied such criteria to the matter under review, and such other factors as the Board deems relevant in respect to the overall enhancement and preservation of the value and desirability of the SOUTH HILL ROWHOUSES.

8.6 Review Criteria. In evaluating requests by Owners for approvals required of the Architectural Control Committee hereunder, the factors to be considered by the Architectural Control Committee shall include those set forth in Section 3.5(m) and 8.1, and the following:

- (a) the architectural integrity and compatibility of any proposed exterior modification to a Townhome with the design, color scheme and materials of such Townhome as originally constructed, in regarding to which the Architectural Control Committee shall not have the authority to approve an exterior alteration or addition that:
 - (i) changes color schemes or architectural styles from those originally constructed by the Declarant,

(ii) substitutes materials of lesser quality than those originally furnished by the Declarant, or

(iii) results in a change in the grade of a Townhome or the elevation, size or basic exterior design from that originally provided by the Declarant, including, by way of example and not limitation, changes in door and window placement or addition of a floor not part of the original construction of a Townhome.

- (b) the aesthetic effect of any proposed modification to exterior fences or exterior lighting; and
- (c) such other factors as the Architectural Control Committee deems relevant in assessing the overall effect of the Owner's request upon the maintenance and operation of the Parcel.

8.7 Final Board Approval. There is hereby reserved to the Board the power to modify or reverse any decision of the Architectural Control Committee, whether approving or denying the request of an Owner, if, in the Board's judgment, which shall not be subject to challenge or review, the Architectural Control Committee, in rendering such decision, has failed to correctly apply the criteria set forth in Sections 3.5(m), 8.1 or 8.6.

Article IX. General Provisions

9.1 Amendment by Declarant. Declarant hereby reserves to itself, its successors and assigns, the following rights:

- (a) Until the Transfer Meeting, Declarant or its successors and assigns shall have the right to change or modify this Declaration and any exhibits hereto, provided the rights of any Owner or any person or entity who has signed a contract to purchase a Townhome from Declarant shall not be materially adversely affected and provided further, the provisions of Article VI shall not be amended or modified without the consent of all of such mortgagees holding valid mortgages on the Townhomes.
- (b) Until the Transfer Meeting, Declarant or its successors and assigns shall have the right to remove from this Declaration, and have this Declaration vacated with respect to, any portion of the Property then owned by Declarant, including Common Area and Common Area Improvements except for all Drive Courts then constructed or required to be constructed to provide access and fire protection lanes to Owners of the Townhomes. Declarant may remove such Property and vacate this Declaration with respect to such Property by filing an amendment with the Recorder ("Vacating Amendment").
- (c) Declarant shall have the right and power to record a special amendment to this Declaration for purposes of conforming to any requirements of the City.

- (d) In furtherance of the foregoing rights, a power coupled with an interest is hereby reserved and granted to the Declarant to make or consent to an amendment to this Declaration pursuant to this Section 9.1 on behalf of each Townhome Owner. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Townhome, and the acceptance thereof, shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to make, execute and record special amendments to this Declaration. The reserved rights of the Declarant under this subsection shall terminate at such time as the Declarant no longer holds title or controls title to any part of the Property, including, without limitation, the Additional Property, or in the event the Declarant has not acquired the Additional Property, within ten (10) years after the date hereof. Any such amendments shall become effective upon the recording with the Recorder.

9.2 Right of Declarant to Add Additional Property. Declarant may, in its sole discretion, at any time and from time to time and without having to obtain the consent, approval or signature of any party (other than the titleholder of such Additional Property), elect to subject to the terms of this Declaration one or more parcels of additional property now owned or hereafter acquired by Declarant or its affiliates from time to time (the "Additional Property"); provided, however, that subjecting any Additional Property must be consistent with the general purposes of this Declaration. Declarant is not obligated in any manner by this Declaration to add Additional Property to the Property or to add any particular tract, or to add tracts in any particular sequence, or to add contiguous tracts, it being the intention hereof that Declarant may decline to exercise the rights granted in this Section 9.2 or may elect to exercise such rights only to a limited extent. Notwithstanding any language to the contrary contained herein, no real property shall become Additional Property or be included within the jurisdiction of this Declaration without the prior express written consent and approval of Declarant.

The additions of the Additional Property authorized by the provisions of this Section 9.2 shall be made by recording with the Recorder (a) a declaration of inclusion ("Declaration of Inclusion") with respect to any Additional Property, which shall extend the terms and conditions of this Declaration to govern the Additional Property to be so annexed and shall be executed by Declarant; and (b) if any Common Area is to be created with respect to any portion(s) of the Additional Property (i) pursuant to Section 4.1 a quitclaim deed conveying fee simple title to said newly-created Common Area to the Homeowners' Association, or (ii) if such Common Area shall constitute Open Space, then, at Declarant's option pursuant to Section 7.4, a quitclaim deed conveying fee simple title to said newly-created Open Space to the City. The following shall apply to each Declaration of Inclusion:

- (a) the provisions of this Declaration applicable to the Common Area, and the rights of Declarant with respect thereto, and all other rights, easements, covenants, restrictions, burdens, uses and privileges appurtenant to the Common Area shall include and apply to the Common Area as created by such Declaration of Inclusion;
- (b) every person or entity who shall become the Owner of a Townhome in such Additional Property shall be and become a Member of the Homeowners' Association on the same terms and conditions, and subject to the same qualifications and limitations, as are applicable to the Owners who are then Members;

- (c) Declarant shall have and enjoy in such Additional Property all easements and exercise all rights, privileges and immunities reserved to it in this Declaration in the same manner and with the same force and effect as though the term "Property" as used in this Declaration prior to the recording of the Declaration of Inclusion included such Additional Property; and
- (d) in all other respects, all the provisions of this Declaration shall include and apply to such Additional Property and to the Owners of Townhomes located therein and thereon in the same manner and with the same force and effect as though such Additional Property had originally been subjected to the provisions of this Declaration.

9.3 Plat of Subdivision. As of the date of the initial recording of this Declaration, Declarant has submitted or anticipates submitting to the City one or more proposed plats of subdivision which purport to subdivide or re-subdivide the Property and portions of the Additional Property in accordance with applicable law and which plat or plats (each a "Subdivision Plat") may include the grant of utility easements which are required to service the SOUTH HILL ROWHOUSES. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to act on behalf of and in the name of each Owner for purposes of recording any Subdivision Plat or amendment thereto, as Declarant deems reasonably necessary to cause the orderly subdivision of the Property and Additional Property, and the development of the SOUTH HILL ROWHOUSES. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Townhome, and the acceptance thereof, shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to make, execute and record any such Subdivision Plat. The reserved rights of the Declarant under this subsection shall terminate at such time as the Declarant no longer holds title or controls title to any part of the Property, including without limitation, the Additional Property, or in the event Declarant has not acquired any Additional Property, within ten (10) years after the date hereof.

9.4 Further Assurances. Notwithstanding anything contained herein to the contrary, each Owner, upon the written request of Declarant, shall execute such documents and instruments, including any power-of-attorney, reasonably requested by Declarant, in order to confirm the rights reserved to Declarant with respect to the amendment of this Declaration pursuant to Section 9.1 or the recordation of any Subdivision Plat pursuant to Section 9.3.

9.5 Severability. The invalidity of all or any portion of any of the covenants, restrictions, easements, conditions, reservations, liens and charges imposed by this Declaration, by legislation, judgment or court order shall in no way affect any other provisions of this Declaration, all of which shall remain in full force and effect and are hereby declared to be severable.

9.6 Amendment. The provisions of this Declaration may be amended by an instrument executed and acknowledged by the Board, approved by not less than seventy-five percent (75%) of the Members of the Homeowners' Association and, if prior to the Transfer Date, approved by Declarant. No amendment shall be effective unless recorded in the office of the Recorder. Those provisions of this Declaration relating to the rights, privileges or obligations of the Declarant may only be amended upon the prior written consent of the Declarant.

9.7 Arbitration. Any controversy between Owners or any claim by an Owner against the Homeowners' Association or another Owner, arising out of or relating to the Declaration or rules and regulations of the Homeowners' Association, may be settled by arbitration in accordance with the Rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

9.8 Enforcement. Enforcement by the Homeowners' Association or any Owner of the covenants and restrictions contained in this Declaration shall be by a proceeding at law or in equity against any person or persons violating or attempting to violate any such covenant or restriction, either to restrain such violation or to recover damages; and failure by the Homeowners' Association or any Owner to enforce any covenant or restriction shall in no event be deemed a waiver of the right to do so thereafter.

9.9 Notices. Any notice required to be sent to any Member of the Homeowners' Association or to an Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of such Member or Owner as it appears on the records of the Homeowners' Association at the time of such meeting.

9.10 Duration. The covenants, restrictions, conditions, reservations, liens and charges imposed or established by or created under this Declaration shall run with and bind the land for a period of fifty (50) years from the date of the recording of this Declaration and may be enforced by the Homeowners' Association or any Owner through any proceeding in law or in equity. After the expiration of said fifty (50) year period, all of such covenants, restrictions, conditions, reservations, liens and charges shall continue to run with and bind the land for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part by an instrument in writing which is executed by not less than seventy-five percent (75%) of the Members and recorded in the office of the Recorder. Except in the case of condemnation or destruction of a substantial portion of the Townhomes, the legal status of the Homeowners' Association shall not be terminated without the affirmative vote of not less than seventy-five percent (75%) of the holders of mortgages on the Townhomes.
