- Wipe down baseboards
- Clean air vents
- Dust blinds and windows (When cleaning blinds using a dryer sheet is a great method!)
- De-clutter any drawers or messy areas
- Vacuum
- Mop floors
- Replace HVAC//furnace filter

QUICK TIP

Set a timer for each room and make it a challenge to finish before the timer is up!

Bathrooms

- Clean mirrors
- Change shower curtain liner
- Clean shower head
- Clean tub and drain
- Empty and wipe down all cabinets
- Clean counter-tops and sinks
- Sweep and mop floors
- Clean toilet inside and outside

QUICK TIP

To clean any grime off of your shower head and sink faucets, use twist ties and a plastic bag mixed with white vinegar. Leave it on overnight for an extra deep clean!

Living Room

- Dust the TV screen
- Wipe down accent tables
- Vacuum area rug
- Clean out your couch crevices
- Wash curtains (be sure to check the labels!)
